

Washington Career Bridge

Find the education & training you need
to get the job you want

www.CareerBridge.wa.gov

From wondering to knowing in one site

With Career Bridge, you can connect with your passion, pick a career path, and identify the education you'll need to get you where you want to go.

Discover:

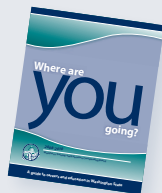

- Your interests and talents
- Average pay for your career of choice
- The education required to get there
- How to get started on your training right away
- The record of success for those who take the training

All in one place

Career Bridge connects you with nearly 5,000 education and training programs across Washington—and the number is growing every day. You also get hiring and wage details on hundreds of careers, so you'll know what they pay and if they're in demand *before* you train.

Perfect companions

For years, the Where Are You Going? career guide has helped people plan their first career, or their next one. This hard copy version of Career Bridge puts career planning tools and education and training programs in the palm of your hand.
